On the My Page screen, select (Menu).

Select "Change Password".

STEP 2

Enter the password you have currently registered in the "Current Password" field.

Enter the new password in "Changed Password" and "Changed Password (Confirm)".

* The input content is displayed with

, but you can check it by pressing
the button
.

When you're done, press the submit button.

Osaka Prefectural Schools Online Application System Manual

STEP 3

A verification code will be sent to your registered email address.

Enter the verification code in the email and press the register button to complete the password change.

On the confirmation message, press Yes.
